HE Ghassan Hasbani

Currently, Deputy Prime Minister and Minister of Health in Prime Minister Saad Hariri's Government formed on December 18th, 2016. He is an expert in planning, economics and technology.

Resumé

After completing his studies in London, he occupied several industry leadership positions in Europe and the Middle East including vice-president and partner in the strategic and management consulting firm “Booz Allen Hamilton” and CEO of International Operations at Saudi Telecom Company Group.

He is a current and former member of several boards of directors of multinational companies in Europe, Asia and the Middle East. He is a member of the Global Agenda Council at the World Economic Forum and a fellow of the Aspen Global Leadership Network.

He has written several books including: “Republic outside the cave, Lebanon in a changing world” and “Oasis Economies, The Middle East in 2030”.

Hasbani holds a first class honours degree in Engineering and an MBA from the United Kingdom. He is a member of the Institute of Engineering and Technology and the Engineering Council of the UK. He is currently the President of the Cedar Institute for Economic and Social Affairs, in Lebanon.

Hasbani was born in 1972 in Rmeil, Beirut. He is married with three children.
